

# Is the PROFIT of private companies MORE important than safety?

We currently do not have enough scientific data to ensure the NEW technology of MILLIMETER WAVES is safe for human tissue, animals or microorganisms. We demand that this technology be delayed until PROVEN safe.

Join the community of Canadians  
who see that profit is being considered more than safety

# 5G Awareness

Clockpark Wolfville

**SATURDAY**  
**March 20<sup>th</sup>**  
**12 Noon**
